

Dragon Dreaming

• Sep 28 - Oct 2 • 2023 •

Lake Burrinjuck, Wee Jasper, NSW
A Regrowth Tree Planting Festival Collaboration

WELCOME

Welcome home. We, and the Wee Jasper community have missed you.

With the amalgamation between the not-for-profit Dragon Dreaming Festival and that of the Regrowth Tree Planting Festival (REGEN Eco-projects) we are honoured to celebrate life and make change with you. We ask you to join us in making Dragon Dreaming Festival a 'leave a positive trace' event. This means that the Dragon Dreaming Festival will now add to the 78,000 native plants we have planted together to date at our festivals. Get involved! Be gentle on yourself and the land.

There is a lot to experience in the following five days from live bands to live electronic music, performers, roving entertainment, interactive arts, visual art, cinema treats, markets and food stalls. If it is your body or mind that needs sustenance, then head to The Village where you will find the Temple, Knowledge, Movement and Kid's spaces.

So, check in constantly with your mates. Stay in the bounds of the festival and please don't climb the hill behind the festival.

Take a fellow Dreamers hand and hold on tight as we share the next instalment of our festival with you.

INDIGENOUS ACKNOWLEDGMENT

We acknowledge we are meeting on the traditional country of the Ngunnawal and Wiradjuri people and wish to acknowledge them as the traditional custodians of this land. We pay our respects to their Elders, past and present, and extend that respect to their cultural heritage, beliefs and relationship with the land, which continue to be important to their descendants today. This land was never ceded.

SUSTAINABILITY

The Dragon Dreaming Festival is a sustainable event that aims to have a positive impact on our beautiful planet. We recognise that running the event has a direct impact (both positive and negative) on the environment. We believe that we have a responsibility to care for and protect the environment in which we operate and are committed to enhancing it through our operations wherever possible and minimising any negative impact. We are fully committed to improving environmental performance across all our activities and will encourage our partners and members of the wider community to join us in this effort.

Power: The Dragon Dreaming Festival is powered almost exclusively by sustainable biodiesel.

Waste Management: Avoiding rubbish going to landfill is an extremely high priority and all plastics, metal, paper and glass are recycled. All food waste is composted. An extensive team is in place to collect and sort waste, as well as educate patrons. All caterers onsite are required to use bio-degradable and/or reusable food utensils and containers.

Fair Trade: Dragon Dreaming Festival works with all suppliers and caterers to use fair trade/ organic/free range products where possible. Environmentally friendly ethical and organic traders are given priority. Local suppliers are also given priority.

Community Education: Environmental charities and awareness raising groups provide information stalls at the festival. Environmental education workshops are conducted throughout the weekend on a wide range of topics. Patrons are encouraged to participate in the tree planting activities and learn about the restoration of the degraded land that is taking place at the festival site. Environmental documentaries are screened at the festival followed by discussion. Informative signage is located throughout the festival.

This booklet was printed on 100% recycled paper

TREE PLANTING

The re-vegetation project will be focusing on planting local native species to restore a degraded part of the festival property and recreate native habitat. We will be planting indigenous Eucalyptus, Acacia, Callistemon, Casuarina, Daviesia, Dodonaea, Indigophora and Leptospermum species to help regenerate this area. We are aiming to plant 3000 trees to add to the 80,000 plants, planted at REGEN and Dragon Dreaming festivals over the past 20 years!

Tree planting action will take place on Friday, Saturday and Sunday from 9am – 5pm. The site is 1.5km away from the main festival valley, there will be a shuttle bus to take you there and back that travels regularly. Pick up is from the tree planting bus stops signposted within the festival.

Please see the info tent for more information.

HEALING SPACE

This Sacred space is for healing, rejuvenation, and self-care. Over the weekend you will have the opportunity to book yourself in for a free healing session from a choice of many different healing modalities. A safe, snug and quiet place to rest; make sure you stop by and look at the full festival offerings displayed at the space.

TEMPLE SPACE

This Sacred space is for reflections and intentions. Over the weekend you will also discover Breathwork session, card reading, blue lotus ceremony, sacred feminine and masculine wisdoms workshops and sound journeys. Add to the intention bunting that we will create in the space together and burn in ceremony. Full festival offerings displayed at the space.

INDIGENOUS SPACE AND SACRED FIRE

Over the weekend you will find the Indigenous space where mob will be sharing their hand made tools, art, weapons, and healing. The Sacred fire will be lit by the Bulger Family for the Welcome to Country and stay alight all weekend. We will have many yarning circles flowing here throughout the festival. Brother Daniel Williams, Tyrone Robinson Ball, Smacka Whyman and others all will be around and available to share their stories, culture, wisdoms, and dance with the Dragon Community. Daily yarning circles will be shown on the board by the Sacred Fire.

SOUTHERN CAMP WORKSHOP AND CINEMA

This safe space is for all to enjoy. Over the weekend you will discover yoga, shaking medicine, sound healings and knowledge shares. Located in the Southern camp this chill space is an excellent place to walk to. For a main festival getaway, for quiet, rest and contemplation. Full festival offerings displayed at the space.

KEEPING SAFE AT DRAGON - DANCEWIZE & CAMP PATRON CARE

Festivals can be equally parts magical and challenging environments for some. If you, or anyone you know, or meet seems overwhelmed, experiencing difficulties check in on them and support them to get help from DanceWize. If someone is injured or unable to move, have someone stay with them while you go for help - either to first aid or any staff member with a radio.

DANCEWIZE

DanceWize NSW are once again in attendance to make sure you and the whole community have an amazing festival experience.

DanceWize provides peer education to reduce drug and alcohol related harm, support safer partying and creating a safe space for all. Their team of peers host a chill out space, provide non-judgmental education on safer drug use and disseminate health resources. Our goal is to provide our community with accurate, credible information about the risks and harm reduction tips associated with licit and illicit drug use.

Our team is recruited from the doof, festival and nightclub communities and they are trained by experts in the field to equip them with the knowledge and skills they need to answer your questions and create a safe space for patrons who might be a little confused, overwhelmed, unsafe or freaked out. Our volunteers use their lived experience and knowledge to talk patrons through their moments of confusion.

Remember- KNOW YOUR MIND, KNOW YOUR BODY, KNOW YOUR SUBSTANCE AND KNOW YOUR LIMITS.

This year, the DANCEWIZE team will be supported by the Camping Patron Care rangers. These rangers will have static outpost and roving teams patrolling the festival campgrounds keeping an eye out for anyone who needs a bit of help. Camping Patron Care rangers will work with roving security to give the campgrounds 24hr a day coverage and have a direct link to DanceWize/Medics/Police. If you ever feel overwhelmed by what you're experiencing, know that you can always reach out to any of our non-judgmental support.

Dragon Dreaming

RULES ON SITE

DEPARTURE must be in daylight hours. No egress will be permitted at night time.

DRIVE AT 5km/h in the camping area and do not drive within the site after you have set up camp until you are leaving.

ABSOLUTELY NO CAMPIRES are permitted in the campgrounds.

LEAVING the boundary of the festival site/camping is not permitted by foot, especially into the mountain behind the festival site.

LEAVE NO TRACE and take home everything that you bring with you. We ask that you take your landfill home with you. Pack it in, pack it out.

BIN YOUR BUTTS This rule shouldn't require any explanation or justification!

NO ANTISOCIAL BEHAVIOUR Dragon Dreaming is a safe space for individuals from all walks of life. Aggressive or predatory behaviours will absolutely not be tolerated and will result in ejection from the event.

NO ILLEGAL DRUG SUPPLY The event staff, NSW Police and security take a harm reduction approach to drug use within the event and ensure the availability of safe and non-judgmental support services for anyone in need. However, any individual found by the NSW Police to be supplying other patrons with illegal drugs will have their wristband removed and be ejected from the event.

NO MOTORISED VEHICLES in the event area unless permitted. This includes motorised scooters and quad bikes.

NO DRONES on the event site unless authorised.

SWIMMING in the lake is at your own risk and must never occur at night time. Swim between the flags. Life guards will be on duty during daylight hours and monitored by our security at night.

NO SOAPS or chemicals to be used in the lake- keep the environment clean for the animals who consider it to be their home!

NO GENERATORS OR SOUND SYSTEMS IN THE CAMPING AREA
People need a quiet space to chill out from the festival and get adequate rest to drive safely.

THANK YOU

Thank you for joining us and sharing your story.
Thank you to you, our community for showing up and being the most amazing participants of this movement. Please share your journey with your friends.
We want our community to grow and thrive.

We are so thankful for the many hundreds of people who diverge large chunks of their lives to make this festival space possible. To these dedicated souls, Thank you. Thank you from the bottom of our hearts. Thank you for not only dreaming, but doing.

And . . .

We love you all and look forward to creating this space again with you in 2024.
Tickets are available now! Look after your friends and drive safe.
